

Agency Activity Inventory
by Agency
Appropriation Period: FY 2006-07

Agency: R44 - Department of Revenue

Functional Group: Legislative,
Executive &
Administrative

1413 Collections

Collections activities includes enforced collections of delinquent tax and debts of other governmental entities. Collection activities include various automated method of taxpayer identification, assistance and education to reduce the amount and number of outstanding receivables. Additionally, Collection Services utilizes private and federal resources to accomplish these functions. (Title 12)

FY 2006-07						
Total	General Funds	Federal Funds	Supp. Funds	CRF	Other Funds	FTEs
\$7,431,702	\$6,106,302	\$0	\$0	\$0	\$1,325,400	100.73

Expected Results:

Improve account selection, Increase methods of filing and payment, Reduce number of assessments/liens issued, Reduce amount of outstanding liabilities, Provide a trained and knowledgeable work force, Number of assessments resolved, Number of liens resolved, Increase number of payment and filing options, Reduce dollars owed state and other entities, Increase collection dollars of Private Collection Agencies.

Outcome Measures:

Cost of Collections reduced to \$.0065; Dollars collected per filled full time employee exceeded \$10 million, Debt setoff exceeded \$72 million, up \$3 million from last year, claimant agencies increased to 97, \$152 million collected in Increased Enforced Collections pursuant to Proviso 73.17, Total Enforced Collections exceeded \$452 million; Total collections exceed \$8 billion.

Agency: R44 - Department of Revenue

Functional Group: Legislative,
Executive &
Administrative

1414 Compliance

The Department's Compliance Activities encompasses all audit and audit related functions. This includes office examination, office audit, field audit (both domestic and non-resident), audit support, and criminal investigations. The audit function begins with the selection of files to be examined and continues through the appeals process and a criminal investigation, if warranted. An examination may take the form of basic error corrections, or may be as complex as the electronic audit of a major multi-state corporation.

Total	General Funds	Federal Funds	Supp. Funds	CRF	Other Funds	FTEs
\$13,377,064	\$10,991,344	\$0	\$0	\$0	\$2,385,720	181.31

Expected Results:

Effective and efficient audit coverage in all tax areas, Increase in voluntary compliance, Reduced burden on taxpayers through expanded use of electronic audit techniques, Prompt resolution of protested audits, Identification of potential non-filers through our nexus and discovery activities, Identification and investigation of potential fraudulent filers.

Outcome Measures:

Implementation of Data Warehouse project collected over \$14 million in first year, Expanded Nexus/Discovery Auditing increases almost 10 times in 7 years: FY99 \$1.5 million collections; FY06 \$11.3 million collections.

Agency: R44 - Department of Revenue

Functional Group: Legislative,
Executive &
Administrative

1415 Processing

The overall processing activity encompasses all activities from the initial forms design through the receipt of the return/payment and/or correspondence to the end point of archival. Within that framework is verification of data, mainframe upload, deposit of revenue, error correction, refund issuance and storage of records. The process can be a fully manual operation with paper archival, a scan/image operation with electronic archival or a fully electronic operation through the Internet or IVR that creates an electronic archival.

FY 2006-07

Total	General Funds	Federal Funds	Supp. Funds	CRF	Other Funds	FTEs
\$5,449,915	\$4,477,955	\$0	\$0	\$0	\$971,960	73.87

Expected Results:

Reduce time to complete process of paper Individual Income Tax (IIT) returns. Reduce the average time to issue refunds for paper IIT returns. Limit the number of sales, withholding, corporate, IIT and motor fuel refunds that take more than 75 days from time of receipt to issuance. Increase annually the total dollars deposited through electronic means. Maintain the level of interest lost due to processing delays. Increase annually the number of sales returns filed electronically. Increase annually the number of IIT returns filed electronically. Increase annually the number of withholding returns filed electronically. Increase annually the number of pages of documents scanned and/or imaged.

Outcome Measures:

Completion time for the processing of paper Individual Income Tax (IIT) returns was 5 days less than previous year; 95% of IIT refunds issued within 30 days; Over 1.1 million IIT returns filed electronically, 8.8% increase, South Carolina ranked #4 nationally in % of income returns filed electronically; 22% of sales and 17% of

by Agency
Appropriation Period: FY 2006-07

and helping other Department divisions settle ongoing appeals. Legislative Services encompasses all activities related to the General Assembly. This includes preparation of legislation, tracking legislation, supporting the General Assembly through assistance with constituent support and attendance at committee hearings. Legal also supports the Governor's Office, the Tax Study Committee, and other state agencies relating to legislation (Part IB, 72.32, Sections 12-4-310(2) and 310(3), 11-11-10, and 2-41-50. Policy is responsible for providing the Department of Revenue with a single voice on behalf of the Director regarding the application of revenue laws. (Section 12-4-320(2)).

FY 2006-07

Total	General Funds	Federal Funds	Supp. Funds	CRF	Other Funds	FTEs
\$2,342,787	\$1,628,347	\$0	\$0	\$0	\$714,440	26.86

Expected Results:

Timely prepare and file all necessary legal documents. Formulate and recommend legislation to enhance uniformity, enforcement and administration of the tax laws and secure just taxation and improvements in the system of taxation in a timely manner.

Outcome Measures:

Prepared and timely submitted all necessary pleadings, motions, discovery, briefs, and other documents in 52 tax related judicial matters, including matters before the Administrative Law Court. Closed 20 tax cases and 167 regulatory related cases in the Administrative Law Court. Issued 45 tax related and 422 regulatory related Final Agency Determinations. Represented the Department before the Administrative Law Court in two tax related matters concerning proposed regulations. Timely prepared and filed pleadings to protect the Department's interest in 1,471 foreclosure actions. Reviewed and timely objected to 33 third-party subpoenas served on DOR. Prepared analyses of 28 issues likely to be litigated. Timely entered 17,218 bankruptcy petitions, discharges and dismissals into the Departments Bankruptcy Maintenance System. Timely filed 2,361 Proofs of Claim with the Bankruptcy Court. The Department's tax package was passed by the General Assembly. Handled 226 constituent assistance requests. Worked with Streamlining Study Group and Ad Hoc Tax Study Group to provide information, support and assistance needed. Handled 422 Taxpayer Advocate cases. Timely responded to 171 Freedom of Information requests. Began the updating of the History of South Carolina Taxes. Responded to 223 media contacts. Issued 32 news releases. Wrote and issued advisory opinions addressing 384 issues. Reviewed, commented, and sometimes suggested amendments to 133 legislative suggestions. Drafted 75 statutes and regulations. Addressed and resolved 4,210 issues through informal advice.

Agency: R44 - Department of Revenue

Functional Group: Legislative,
Executive &
Administrative

1418 Property

Responsible (directly or indirectly) for approximately \$ 1,837,000 property tax dollars collected by the counties, schools, and municipalities. This is approximately 1/3 of all property tax dollars collected by counties, schools and municipalities. (Includes appraisal of manufacturing property, valuation of all utility property, valuation of business personal property, vehicle valuations, and calculation of all fee-in-lieu of property) Responsible for calculation of School Index which is factor used to distribute education dollars back to school districts. (approximately \$1,000,000,000 state \$ back to school districts)

Agency Activity Inventory
by Agency
Appropriation Period: FY 2006-07

Responsible for certifying all property tax exemptions for both real and personal property.

FY 2006-07						
Total	General Funds	Federal Funds	Supp. Funds	CRF	Other Funds	FTEs
\$1,981,787	\$1,628,347	\$0	\$0	\$0	\$353,440	46.86

Expected Results:

Fair & Equitable assessment of all property under agency jurisdiction, Correct calculation of the Index of Taxpaying Ability, Proper determination of property tax exemptions.

Outcome Measures:

Timely assessments by agency and counties, Taxpayer and county complaints, appeals cases

Agency: R44 - Department of Revenue

Functional Group: Legislative,
Executive &
Administrative

1419 Regulatory

The Department has a statutory duty to license and regulate alcoholic beverage activity (see Title 61) and bingo activity (See Title 12, Chapter 21). The Regulatory Division also assesses penalties for violations, and litigates contested cases involving applications and violations.

FY 2006-07						
Total	General Funds	Federal Funds	Supp. Funds	CRF	Other Funds	FTEs
\$990,894	\$814,174	\$0	\$0	\$0	\$176,720	13.43

Expected Results:

Compliance with statutory requirements which will increase public safety, will ensure collection of taxes, and will safeguard bingo receipts due nonprofit organizations.

Outcome Measures:

Number of licenses issued; Penalties assessed; number of regulatory litigation cases opened and closed; amount of bingo funds remitted to nonprofit organizations.
